WI-FI

High Speed Wireless Internet Provided by **Frontier Mobile**

Shady Shores offers Wireless Internet Access Service for all your wireless devices through **Frontier Mobile**.

Frontier Mobile has recently enhanced the service and doubled the coverage to a 600 foot circle based around the Pavilion; the signal covers approximately three quarters of our seasonal campsites.

USB Wireless Adapter with 5 dBi Antenna - If your computer does not have wireless access or your current internal wireless antenna provides you with less than desirable signal strength, we strongly recommend this adapter. Our experience has shown that campers previously having no signal or less than desirable signal strength receive service with this antenna. For your convenience, we have a loaner in the store to try out with no obligation. We also offer them for sale in the store for \$55.95.

The Pavilion is a user hub for anyone not receiving a signal at their campsite.

The following **Frontier Mobile** User Cards are available at our store:

One Hour Card	\$ 4.99
One Day Card	\$ 9.99
Two Day Card	\$ 14.99
Seven Day Card	\$ 22.99
Thirty Day Card	\$ 30.00
Six Month Cards	\$ 150.00 – Only Ten Cards Available for the Entire Season. Sold On a First Come Basis, Contact us now!
